**AIC A 01/21. Information regarding Aeronautical Chart Denmark.**

Due to implementation of new software system in the AIM office in Naviair, the ICAO ANC 1:500.000 Denmark Edition 42 and the ICAO ANC 1:250.000 Copenhagen Area Edition 41 will continue with hand amendments in 2021.

The charts are considered updated when hand amended with ref. to AIP and/or VFG Denmark GEN 0.5

A new version of both aeronautical charts is expected on the 7th. of April 2022.

With the new system AIM Naviair expects to publish online new updated charts at each AIRAC date.

A printed version, which is updated once a year after 7th. of April, will still be available for sale.
