## ENR 6 EN ROUTE CHARTS

---

### ENR 6.1 General

---

#### 1. Index Charts

1.1 Separate index charts as specified in ICAO DOC 8126 - the AIS Manual - are not produced as the information intended to be portrayed on these charts are included on the listed charts.

However, within certain TMA and/or CTR, Gliding Areas are established. Such areas are shown on charts included in the relevant AD.2 section or, for airports in the Copenhagen Area on ANC 1:250 000.
